**Petition to Determine Validity of Purported First and Third Amendments to Trust

et seq)**

DOD: 06/29/11		<p>EVELYN LAUDERDALE, Trustee of the Jeri L. Shubin 2007 Trust, is Petitioner.</p> <p>Petitioner alleges:</p> <ol style="list-style-type: none"> Jeri L. Shubin (the “Decedent”), died June 29, 2011, a resident of Fresno County, and left property in Fresno County. On August 23, 2007, Decedent executed a Declaration of Trust known as the Jeri L. Shubin 2007 Trust that called for distribution of its assets as follows: <ol style="list-style-type: none"> Personal property to be distributed pursuant to a letter of instruction to the trustee, or in the absence of such a letter, in equal shares to James Shubin and Gary Shubin; Real property located at 4104 E. Washington, Fresno to Rick Davis; Any residue, 1/3 to Gary Shubin, 1/3 to James Shubin, and 1/3 to various charities. On July 1, 2009, the Decedent executed a document purported to be the first amendment to the trust. This amendment passes personal property to Marlene Gunion in the absence of a letter to the Trustee; real property at 4104 E. Washington, Fresno to Rick Davis; 31.9 acres of real property to William Buchnoff; real property at 1582 N. Humboldt, a 1991 trailer, a 1997 Ford Explorer, and Bank of America bank account ending in 04563 to Roberto Garcia; and the residue of the estate to be divided 1/3 to Gary Shubin (with certain restrictions), 1/3 to James Shubin (with certain restrictions), and \$250,000.00 of the remaining 1/3 to charities named in the original trust, with the balance to Roberto Garcia. On December 15, 2009 the Decedent executed a Second Amendment to her Trust adding a specific distribution of real property located at 2045 W. 5. On December 13, 2010, Decedent executed a document purported to be a Third Amendment to her Trust. This Third Amendment revokes the second Amendment and affirms the First, except that it passes the personal property to Petitioner (Evelyn Lauderdale) in the absence of a letter of instruction; passes the 1991 trailer and real property located at 2045 W. San Ramon, Fresno to Roberto Garcia; and passes the residue of the Trust 1/3 to Gary Shubin (with certain restrictions), 1/3 to James Shubin (with certain restrictions), and the remaining 1/3 to the charities originally designated in the Trust.
6. On May 17, 2011, Decedent executed a Fourth Amendment to the Trust which appointed Petitioner to act as Co-Trustee with the Decedent.

Petitioner request that the Court rescind and nullify the purported First and Third Amendments to the Trust on the following grounds:

A. First Ground: Lack of Capacity

1. At the time of the alleged execution of the purported Trust Amendments, the Decedent was not of sound and disposing mind. The Decedent did not have the sufficient mental capacity to understand the nature of her actions in executing the purported Trusts, understand and recollect the nature and situation of her property, or remember or understand her relationship to her family members.

B. Second Ground: Undue Influence

1. The purported Trust Amendments were executed as a direct result of undue influence exerted on the Decedent by Roberto Garcia. This undue influence consisted of the following:
 - a. Roberto Garcia was a confidant to the Decedent for approximately 3 years before and up to the time of her death;
 - b. Mr. Garcia had a friendly and confidential relationship with Decedent, who trusted and had confidence in Mr. Garcia;
 - c. Mr. Garcia took over the decedent's financial affairs;
 - d. At the time the amendments were signed and at the time of the Decedent's death, she was aged and infirm, and suffered from memory problems. As a result of these mental infirmities, Decedent was easily influenced and controlled by Mr. Garcia;
 - e. Mr. Garcia actively procured the purported Trust as part of a pattern of conduct aimed at gaining control of the Decedent's major assets;
 - f. During the last few months of the Decedent's life, Mr. Garcia took active steps to isolate Decedent and prevent her from having contact with family members;
 - g. The Trust Amendments confer an undue benefit on Mr. Garcia. Mr. Garcia "moved in" on the Decedent during the last few years of her life, taking over ever greater control of the Decedent's life and financial affairs. Before becoming a confidant to the Decedent, Mr. Garcia had been a stranger to the Decedent.

C. Third Ground: Duress and Menace

1. The apparent consent of Decedent to the First and Third Amendments to the Trust was obtained by Mr. Garcia's duress and menace. Decedent made statements to persons during the course of executing the purported Amendments that she feared Mr. Garcia and feared not executing the purported Amendments. Petitioner alleges that Mr. Garcia coached and practiced with Decedent what she was supposed to tell the attorney who drafted the purported Amendments, as well as another attorney who executed Independent Certificate of Reviews relating to the Decedent's will. Decedent's will passes her entire estate to her Trust. Petitioner states that the Decedent would not have consented to the First and Third Amendments absent the conduct of Mr. Garcia.

D. Fourth Ground: Prohibited Transferee.

1. Probate Code § 21350 et seq. prohibits Mr. Garcia from succeeding to any interest under the purported First and Third Amendments to the Trust as he was a care custodian to the Decedent as defined under Section 15610.7 of the Welfare and Institutions Code, and the Decedent would have been a dependent adult under the definition set forth in Welfare and Institutions Code § 15160.23 had she been between the ages of 18 and 64. Petitioner further alleges that an independent attorney did review the Decedent's will with her, but according to the Certificates of Independent Review, did not review the purported trust amendments with her.

E. Fifth Ground: Prohibited Transferee.

1. Mr. Garcia is prohibited by Probate Code § 21360 et seq. from succeeding to any interest under the purported first and third amendments to the trust, as he was a care custodian of the Decedent as defined under section 21362 of the Probate Code and the Decedent was a dependent adult as defined under Probate Code § 21366(a). Petitioner alleges that the purported transfers are presumed to be the product of fraud and undue influence by virtue of Probate Code § 21380, subjecting Mr. Garcia to all costs, including reasonable attorney fees, should he fail to rebut the presumption (See Probate Code § 21380(d)).
2. Because of the Decedent's lack of capacity, Mr. Garcia's exertion of undue influence, menace and duress over the Decedent, and/or because he was a prohibited transferee, Mr. Garcia holds title to trust assets as well as income therefrom, as constructive trustee for the benefit of persons entitled to distribution of the Decedent's estate. Those assets include cash and other personal property according to proof.

Petitioner prays for an order:

1. Finding the purported First and Third Amendments to the Trust void due to the mental incapacity of the Decedent;
2. Finding the purported First and Third Amendments to the Trust void due to the undue influence of Mr. Garcia;
3. Finding the purported First and Third Amendments to the Trust void due to the duress and/or menace of Mr. Garcia over the Decedent;
4. Declaring that Mr. Garcia holds any and all assets of the Trust that he has received already in trust, for the person entitled to distribution of the estate of the Decedent;
5. For costs of suit herein, including attorney fees, to the extent allowed by law;
6. Finding that Mr. Garcia is a prohibited transferee pursuant to Probate Code § 21350 et seq. and invalidating those provisions of the purported first and third Amendments to the Trust that purport to make gifts to Mr. Garcia.

Objection to Petition to Determine Validity of Purported First and Third Amendments to the Trust and to Impose Constructive Trust filed 02/16/12 by Roberto Garcia denies all of the allegations in the Petition except:

1. That the first amendment purports to convey 31.9 acres to William Buchnoff. Mr. Garcia alleges that the first amendment actually purports to convey 39.1 acres to William Buchnoff.
2. That the fourth amendment purports to appoint Petitioner to act as co-trustee with the Decedent.
3. That Mr. Garcia had a friendly relationship with the Decedent.
4. That the address for the SPCA stated in the Petition is correct. Mr. Garcia also admits that McCormick Barstow has filed a request for special notice on behalf of the SPCA.

Mr. Garcia makes the following affirmative defenses:

1. The Petition and each and every cause of action therein does not state facts sufficient to constitute a cause of action against the Respondent.

2. Petitioner lacks sufficient legal standing to maintain each and every cause of action alleged in the Petition.
3. The acts, errors and omissions of Petitioner constitute unclean hands and therefore bar any relief.
4. Petitioner is estopped from pursuing the causes of action set forth in the Petition.
5. The causes of action stated in the petition were not timely filed and are barred by the applicable statute of limitation set forth by California law, including, but not limited to: the California Code of Civil Procedure, California Civil Code, and the California Probate Code.
6. Petitioner has not brought and served in a timely manner but has delayed in bringing and serving suit until a substantial time after the alleged causes of action accrued. This delay worked to the Respondent's prejudice and thus this action and any claim purported therein is barred by the Doctrine of Laches.

Respondent prays for a judgment:

1. That Petitioner take nothing on the basis of her Petition to Determine the Validity of the Purported First and Third Amendments to the Trust and to impose constructive trust;
2. That the first and third amendments be found to be valid trust amendments;
3. That the Respondent be awarded costs of suit herein incurred; and
4. That the Respondent be awarded reasonable attorneys' fees to the extent permissible by contract or statute.

File 6 - Snyder																																																																										

Objections to the Appointment of Catherine Snyder as Conservator of the Person and Estate filed by Kristen Snyder, proposed conservatee's spouse, on 2/10/12. Kristin Snyder objects to the appointment of Catherine Snyder stating the spouse or a person nominated by the spouse has a higher statutory preference than petitioner for appointment as conservator of the person. However, given her marital difficulties with the conservatee she feels her appointment as conservator would only exacerbate the current animosity being exhibited by conservatee's extended family (petitioner, conservatee's mother and brothers) toward the conservatee's immediate family (son, daughter and Objector) and would not be in the best interest of the conservatee. Objector does believe that it would be in the best interest of the conservatee to have their son, Ross Snyder, or an impartial fiduciary appointed as the conservator of the person. Therefore, pursuant to Probate Code §1811 Objector nominates Ross Snyder to be the conservator of the conservatee's person. If Ross Snyder is unable or unwilling to act as conservator, then Objector nominates Bruce Bickel as the conservator of the conservatee's person.

Objector objects to the establishment of a conservatorship of the estate. Objector and conservatee are legally married and have been since September 12, 1981. Although Objector and conservatee are having marital problems, Objector is not a party to any action or proceeding against the conservatee for legal separation, dissolution of marriage, annulment, or adjudication of nullity of their marriage.

Objector believes that as the spouse of the conservatee, she is entitled as a matter of law under Probate Code §3051(a) and Probate Code §3051(b)(1) to manage and control the community property of the conservatee and Objector; that as a matter of law under Probate Code §3051(b)(2), all of the community property of the conservatee and Objector is not a part of the conservatorship estate; and that Objector does not consent to any portion of the community property of the conservatee and Objector to be included in and subject to Probate Code §3071, to be managed, controlled, and disposed of as part of the conservatorship estate of the conservatee.

Objector prays for an order as follows:

1. That a conservatorship of the person be established for Robert Snyder;
2. That the petition of Catherine Snyder to be appointed as conservator of the person of Robert Snyder be denied.
3. That Ross Snyder be appointed as conservator of the person of Robert Snyder, or in the alternative that Bruce Bickel, a private fiduciary be appointed as conservator of the person of Robert Snyder;
4. That the petition of Catherine Snyder for the establishment of a conservatorship of the estate and for appointment as conservator of the estate of Robert Snyder be denied.

Consent of Bruce Bickel to act as the conservator of the person of Robert Snyder filed on 2/14/12.

Sale Price - \$10,000.00

Overbid - \$1,000.00

Reappraisal - \$26,000.00

Property - 200 Tyler St.
Coalinga, CA

Publication - The Business Journal

Buyer - RICHARD A.
McCABE, as his separate property

Broker - None

Declaration of Daniel M. O'Quinn, Administrator filed 01/19/12 states that the property is in a dilapidated and uninhabitable condition and he estimates that it would cost tens of thousands of dollars to correct the habitability issues (roofing, windows, lack of appropriate heat, flooring issues) and to remove junk from the premises. Based on the condition of the home, Petitioner has deemed it appropriate to sell the property to a willing investor in an as-is condition. Petitioner made inquiries to investors and was able to obtain a bid on the property. Petitioner also made inquiries with real estate brokers who market properties in the Coalinga area; however, the decision was made not to use the services of a broker because commissions and other expenses would reduce the funds available to the estate, it was also inferred, but not directly stated, by the brokers that the anticipated sales price of the property would not generate enough commission in relation to the amount of effort marketing the property would take. Petitioner states that he was granted full IAEA authority to sell the property and is also authorized by decedent's will to sell the property without a prior order of the court, but due to the circumstances, decided to seek court approval of the sale so that any interested party could express their concerns regarding the sale. Petitioner states that although the offer is less than ½ the appraised value of the property, it is his opinion that the offer is fair and reasonable given the current condition of the property, especially since the estate does not have sufficient assets to make repairs to the property to make it more marketable.

Based on the condition of the home, Petitioner has deemed it appropriate to sell the property to a willing investor in an as-is condition. Petitioner made inquiries to investors and was able to obtain a bid on the property. Petitioner also made inquiries with real estate brokers who market properties in the Coalinga area; however, the decision was made not to use the services of a broker because commissions and other expenses would reduce the funds available to the estate, it was also inferred, but not directly stated, by the brokers that the anticipated sales price of the property would not generate enough commission in relation to the amount of effort marketing the property would take. Petitioner states that he was granted full IAEA authority to sell the property and is also authorized by decedent's will to sell the property without a prior order of the court, but due to the circumstances, decided to seek court approval of the sale so that any interested party could express their concerns regarding the sale. Petitioner states that although the offer is less than ½ the appraised value of the property, it is his opinion that the offer is fair and reasonable given the current condition of the property, especially since the estate does not have sufficient assets to make repairs to the property to make it more marketable.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>5. Petition is not signed by attorney.</p> <p>6. Petition states that the appraised value of the property is \$22,000.00; however, according to the Inventory & Appraisal filed 12/28/11, the property is valued at \$26,000.00.</p> <p>7. Pursuant to Probate Code § 10308(c) - Need proof of service by mail at least 15 days before the hearing of the <i>Notice of Hearing</i> on: - Richard A. McCabe (purchaser) - Wells Fargo Card Services (Request for Special Notice filed 11/12/10)</p> <p>8. The sales price is only 38.46% of the appraised value of the property. Probate Code § 10309 states that no sale of real property at private sale shall be confirmed by the Court unless the sum offered is at least 90% of the appraised value. Need reappraisal for sale or higher offer.</p> <p>9. Need Order.</p>
